

Welcome to the Club!

5th Grade Junior Book Award Nominees

How It's Going to Work!

- We're ALL going to read the first book together and start on a group zine project
- Throughout the year, you can read any of the nominees and create book trailers for them using any of the media center technology (e.g., green screen, stop-motion, PuppetPals, iMovie, trailers, etc.).
- The trailers will air on our school news program and be made into QR codes to be attached to the books
- FOOD!!! There will be lots of food....
